SYNTHETIC REGULATORY CIRCULAR

Circular No. SYN/REG/2026-27/012

Date: 14 April 2026
To: All Scheduled Commercial Banks
Subject: Reporting of Cash Transactions and Structuring Indicators

1. Background

In view of observed patterns of cash structuring across multiple branches, regulated entities are advised to strengthen detection of transactions deliberately kept below reporting thresholds.

2. Directions

(a) Banks shall aggregate cash deposits across all accounts of a customer, including linked accounts, when evaluating the INR 10 lakh monthly CTR threshold. (b) Banks shall build a scenario to detect three or more cash deposits between INR 8 lakh and INR 9.99 lakh within a 30-day period. (c) Alerts generated shall be reviewed within 7 calendar days.

3. Applicability

Effective from 1 July 2026. Banks shall submit a compliance confirmation to the Department of Supervision by 31 August 2026.

Issued for training purposes. Not an actual regulatory circular.
